

### Declaration of Conformity

Name of Responsible Party: DATOTEK INTERNATIONAL Co., Ltd.  
Address of Responsible Party: No. 34, Alley 18, Lane 478, Rueiguang Rd., Neihu District, Taipei, Taiwan  
Declares that product: USB 2.0 8GB~128GB  
Main Model: DS7016-04G  
Series Model: DS7016-08G; DS7016-16G; DS7016-32G; DS7016-64G; DS7016-128G; D02002-8G; D02002-16G; D02002-32G; D02002-64G; D02002-128G  
Brand: DATO  
Assembled by: Same as above  
Address: Same as above

Conforms to the EMC Directive 2014/30/EU as attested by conformity with the following harmonized standards:

EN 55032:2015+A11:2020 and EN 55032:2015+A1:2020 and CISPR 32:2015+A1:2019 Class B Electromagnetic compatibility of multimedia equipment - Emission requirements.  
AS/NZS CISPR 32:2015+A1:2020 Class B Electromagnetic compatibility of multimedia equipment- Emission requirements

| Performed Item                                               | Test Performed | Deviation | Result |
|--------------------------------------------------------------|----------------|-----------|--------|
| Conducted emissions from the AC mains power ports            | Yes            | No        | PASS   |
| Telecommunication Port Conducted Emissions (asymmetric mode) | N/A            | N/A       | N/A    |
| Radiated emissions at frequencies below 1 GHz                | Yes            | No        | PASS   |
| Radiated emissions at frequencies above 1 GHz                | Yes            | No        | PASS   |
| Radiated emissions from FM receivers                         | N/A            | N/A       | N/A    |
| Voltage Disturbance Emissions at Antenna Terminals           | N/A            | N/A       | N/A    |
| Differential voltage emissions                               | N/A            | N/A       | N/A    |
| Outdoor units of home satellite receiving systems            | N/A            | N/A       | N/A    |

EN 55035:2017+A11:2020 and CISPR 35:2016 modified Electromagnetic compatibility of multimedia equipment - Immunity requirements.

| Standard                                                                 | Description                                             | Results | Criteria |
